HOT SPRINGS RESORT

WINE PROGRAM
VINTAGE MARCH 2022

In February of 2017, Andre Melief passed into the heavens, leaving the Quinn's Hot Springs family of guests one of his greatest treasures: his wine cellar. Over the last 20 years, Andre rebuilt Quinn's, over several efforts, into the beautiful and accommodating destination resort that surrounds you. It had taken every ounce of passion and hard work from his endless well of drive and determination to create the Quinn's of today.

For those of our guests who knew the pleasure of Andre's presence in the dining room, there is no shock to learn that tucked carefully and often secretly away in the under ground cellar is a world-class treasure of wines. For our new arrivals, the wine list you behold is the three dimensional personification of Andre Melief in the form of history, flavor, texture and the quality of the selections that await you. This is not a list quickly composed from handy offerings and a brief review of wine magazine Top 100 awards. Each selection is a personal pick from small upstart wineries and centuries old vineyards. Here, in every bin number and unique label, is a story that meant a great deal to our friend and benefactor, Andre Melief. He was a man whose motto, as recorded at his memorial read: "Moderation in all things, but excess is barely enough."

What wines does such a man choose to lay down in the cellar to outlast himself? In short, wines with you, our Quinn's guest, in mind. Andre could be mercurial. He was benevolent. He lived passionately, embracing high standards and was driven to greater and greater qualities. And it is he who chose the wines waiting quietly below to share themselves with you. His wines are like himself. Yes, you can find the ordinary that are familiar and comfortable. Should he be with us in the dining room tonight, he would have smiled and returned with your selection. Most likely he would also have a story to be shared before he opened the bottle. Like a circus ringmaster, Andre would give you a choice. You could go see the sheep, with all the ordinary people...or...you could go past the heavy curtain, into the unknown, and into the excitement of discovery.

Why have you come to Quinn's? We know that soaking, socializing, telling stories and sitting in silence, attract you to our deep canyon resort. What keeps you returning will be the "Wow" factor that defines Quinn's-style hospitality. And, what of your wine experience? Let us tell a story for you, in wine. Let us tell your story of dining adventure at Quinn's. From this day forward, your party, the Quinn's staff, and our dear friend Andre Melief, will have a dining adventure story, together.

Cheers!
